With reference to your letter No 158/51-52 dated 15/18th January 1952, on the above subject, I am directed to state that Government of India Rate Contract is applicable only to Government Departments in all states as may be seen from the list of Direct Demanding Officers

I am also to invite your kind reference to Ch II Rule 5 of the Store Purchase Committee Manual which read " As the Municipal and local boards are autonomous bodies with statutory powers of their own, the rules regulating the purchase of stores by the Government Departments through the Stores Purchase Committee will not be applicable to such local bodies In the case of improvement works in the areas within the jurisdiction of such local bodies, such as water supply and - drainage schemes, railway projects etc , execution of which is entrusted to the Government Departments, the materials re-uired for such works may be obtained through the stores Purchase Committee in accordance with the rules applicable to Government Departments In respect of other purchases the local bodies concerned may make their own arrangements, though the advice or or help of the Stores Purchase Committee will be readily made available to any local body that may re-uire it " We cannot therefore force the Companies to give Tyres or Tubes at the rates mentioned in the rate contract, as the terms of the contract do not contemplate our doing so
